

Citizens Advisory Committee Update (for Meeting of June 29, 2022)

- There was a presentation and update by Jonathan Steketee, Manager of Operations Planning, on *Reimagine SamTrans* efforts. There were some questions about the location of bus stops at the Millbrae Caltrain Station while it is under construction. Mr. Steketee said that discussions with the City of Millbrae were underway regarding finding a better location for the transfer point between Caltrain and Route ECR.
- Ana Rivas, Director of Bus Transportation, reviewed the May bus performance statistics.
- The CAC members said they were pleased with the new onboard recorded messages and suggested having a new message instructing passengers to hold on or stay seated until the bus stops moving.
