Mr. Josh Powell, Board Chairman
San Mateo County Transit District
1250 San Carlos Avenue
San Carlos, California 94070-1306

Dear Chairman Powell,

As part of this year's appropriations process, it was just announced by the new Majority that Members of Congress may once again request Community Project Funding to directly fund nonprofit and public sector projects in their Congressional Districts, and I invite you to share with me a project you believe is a top priority.

The Appropriations Committee will only consider requests for certain funding accounts, and I've enclosed a list of accounts and their eligibility requirements for your reference. The Committee prioritizes requests with substantive community support in the form of letters from local elected officials, local press articles or editorials, local government resolutions, or other indications of local support.

If you have a project that I should consider submitting to the Committee, I need to hear from you no later than March 17th at 5:00 p.m. PDT so I can thoroughly review the information you share. You can submit information about the project to my office using this online form: <https://forms.office.com/g/Pc4CRDwAmc>.

I'm only permitted to submit a limited number of requests, and I will seriously consider your recommendation. If you have any questions, you can contact Eric Henshall in my Washington, D.C. office at (202) 225-8104.

Most gratefully,

Anna G. Eshoo
Member of Congress
