LABOR AGREEMENT

This AGREEMENT is made and entered into as of the effective date hereinafter stated by and between SAN MATEO COUNTY TRANSIT DISTRICT, hereinafter referred to as "District," and AMALGAMATED TRANSIT UNION LOCAL NO. 1574, AFL-CIO-CLC, hereinafter referred to as "Union," for the purpose of fixing the wage schedule, hours, and general rules and regulations affecting employee members of the Union.

PURPOSE OF THIS AGREEMENT

The purposes of this Agreement are to promote the settlement of labor disagreements by conference and discussion, to prevent strikes and lockouts, to stabilize conditions in the Mass Transit Industry in the area affected by this Agreement and to provide procedures for prompt and equitable adjustment of grievances.

ARTICLE 1. UNION RECOGNITION

The District recognizes the Union as the sole and exclusive bargaining agent of employees as described in the State of California's Department of Industrial Relations memorandum dated February 13, 2009. The unit as described is all Customer Service Representative 1s, Full-time, Part-time (formerly Extra Help) and Extra Help, Customer Service Representative 2s (formerly Customer Relations Specialists) and the Receptionist in the Customer Service Center of the San Mateo County Transit District.

The District may add other classifications into the Service Center upon thirty (30) days' notice to the Union. During the notice period, the District will, upon request, negotiate with the Union concerning the terms and conditions of employment for any new classification.

ARTICLE 2. MANAGEMENT RIGHTS

It is mutually agreed that it is the right and duty of the San Mateo County Transit District to manage the District, to exclusively determine the manner, method and means of accomplishing the purposes and mission of the District, to direct and utilize all labor and to utilize and allocate all other resources for the District.

These rights include, but are not limited to, establishing and enforcing work standards, policies and procedures, the right to hire, promote, demote, reclassify, layoff, discharge for just cause and otherwise discipline employees, subject to the specific conditions set forth in this Agreement. The hours and scheduling of work, the introduction and use of new equipment or technology and the subcontracting of work of the Customer Service Department are prerogatives of the District. For the duration of the 2022 to 2024 Agreement, the District will not subcontract customer service work performed on behalf of SamTrans. Customer service work on behalf of Caltrain may be performed by a third party.

The management rights not expressly waived or limited by the CBA are retained by the District.

The exercise of any management rights shall not violate the Collective Bargaining Agreement. Any claim that the District's exercise of any prerogative of management or promulgation or enforcement of any policy and procedure is violative of any specific provision(s) of this Agreement may be made the subject of a grievance. An arbitrator may not revise, amend, or limit the District's management rights, policies or procedures unless the exercise of those rights, policies or procedures violate this Agreement.

ARTICLE 3. NO STRIKE – NO LOCKOUT

Section 1. No Interruption of Work

There shall be no strike, slowdown, picketing, or any interruption of, or interference with work by the Union or the employees covered by this Agreement, and no lockout by the District, for the duration of this Agreement.

Section 2. Rights Regarding Labor Disputes

It shall not be a violation of this Agreement and shall not be cause for discipline for any employee to refuse to enter upon any property involved in a legal, primary and sanctioned labor dispute.

ARTICLE 4. UNION SECURITY

Section 1.

All employees covered by this Agreement may become members of and may maintain their membership in good standing in the Union, during the life of this Agreement. Good standing is interpreted to mean the voluntary tendering of initiation fees, dues, and assessments uniformly required of and applicable to all members of the Union.

The District will rely on a written certification from the Union requesting that the District deduct from employees' salaries or wages an amount equal to the Union's bi-weekly dues or fees authorized by the Union Bylaws. The Union has and will obtain and maintain signed employee authorization for said wage deductions and will represent to the District that each bargaining unit employee is affirmatively consenting to payroll deductions for Union dues, initiation and other fees and assessments consistent with state and federal law. After providing the required certification, the Union will not be required to provide a copy of individual authorizations to the District unless a dispute arises about the existence or terms of the authorization. Either party can request reconciliation of the member non-member lists. The reconciliation of the lists will be provided within fifteen (15) days of the request. Officers of the Union will notify the District of the amount of Union dues, initiation fees and the amount of any general assessment(s).

Based on the certification from the Union described above, the District will deduct, bi-weekly the amount of Union regular and periodic dues and initiation fees and any special membership assessments as may be specified by the Union. Dues deduction for employees will only be made upon written certification from the Union.

Bi-weekly a written statement of the names and amounts deducted, will be forwarded promptly to the Union office, at the address specified by the Union.

The District will provide the Union with a copy of the start letter sent to newly hired putative bargaining unit members before the employee starts at the District.

The employee's earnings must be sufficient; after all other required deductions are made, to cover the amount of the deductions authorized by this Section. When an employee in a non-pay status for an entire pay period, no deductions for initiation fees, union dues or fees, assessments will be made to cover that pay period. If an employee is in a non-pay status for part of the pay period such and that employee's wages are not sufficient to cover the full deduction, the District will not deduct Union dues.

The District will direct employees requesting to discontinue or change Union dues deductions to the Union. The District will rely on information provided by the Union regarding whether or not the authorizations for the Union dues deductions was properly discontinued or changed, but will determine for itself if an employee is affirmatively consenting to Union dues deductions.

Section 2. – Indemnification

The Union will indemnify and hold harmless the District, its officers and employees, from and against any and all loss, damages, costs, expenses, claims, attorney fees, demands, actions, suits, judgements, and other proceedings arising out of any action relating to this Article of the collective bargaining agreement. The Union will refund to the District any amounts paid to it in error.

Section 3. – Development of Law

In the event any portion of the California Government Code or federal law changes or is amended to address the transfer of monies between the Union and the District, the parties will reopen this section of the collective bargaining agreement to meet and confer regarding the change in law.

Section 4. – Union Access to New Employee Orientation

The District will provide the Union not less than ten (10) days' notice of the onboarding orientation meeting held between the Human Resources Department representatives and new bargaining unit employees, including date, time, and location of the orientation meeting. If a bargaining unit member's first day of work begins less than ten (10) days after the date the employee is hired, the ten (10) day notice requirement may be reduced, and the District will instead provide as much advanced notice as reasonably possible to the orientation meeting. The District will allow an Amalgamated Transit Union (ATU)

Local 1574 unit member representative and/or a ATU Local 1574 outside labor representative to spend up to thirty (30) minutes with the non-Operators at the end of the onboarding orientation and up to forty-five (45) minutes with Bus Operators during the last week of training. No representative of District management will be present during the Union's presentation.

Section 5. Check off

(a) Bargaining Unit Member Contact Information

To the extent required by Government Code Section 3558, the District will provide the Union with a list of names and contact information (listed below if on file) for any newly hired bargaining unit member within 30 days of the date of hire or by the first pay period of the month following hire. The District will also provide the Union a list of all bargaining unit member names and contact information on the last working day of each quarter. The information will include the following information except for any information subject to exclusion pursuant to Government Code Section 6254.3(c):

- Employee name,
- Job title,
- Department,
- Work location,
- Home address, and
- Work, home and personal telephone numbers and personal email addresses on file with the District.

(b) Union Access to New Employee Orientation

The District will provide the Union not less than ten (10) days' notice of the onboarding orientation meeting held between the Human Resources Department representatives and new bargaining unit employees, including the date, time, and location of the orientation meeting. If a bargaining unit member's first day or work begins less than ten (10) days after the date the employee is hired, the 10-day notice requirement may be reduced, and the District will instead provide as much advance notice as reasonably possible of the orientation meeting.

ARTICLE 5. PROBATIONARY PERIODS

Section 1. Newly Hired Employee Probationary Period

- (a) The probationary period for newly hired employees shall be one hundred twenty (120) calendar days after the familiarization training period. Familiarization training shall be up to one hundred twenty (120) hours. The District may accommodate newly hired employees with outside employment

with a flexible training period. Based upon attendance, the District at its sole discretion may extend the Probationary Period of a new hire for up to ten (10) work days. The Probationary Period may be extended by the number of days absent during the probationary period or mutual agreement of the Union and District.

- (b) The discipline or discharge of new probationary employees shall not be subject to a grievance under Article 27, Grievance Procedure and Arbitration.

Section 2. Promoted Employee Probationary Period

- (a) The probationary period of a Customer Service Representative 1 promoted from the Substitute CSR 2 list to a Customer Service Representative 2 position shall be ninety (90) calendar days. During the probationary period the promoted employee may return to their former position without a loss of seniority. The promotion probationary period may be extended by the number of days absent during the probationary period or by mutual agreement. The District shall be the sole judge of the qualifications and competencies of such employees and such judgment may be made the subject of a grievance should the employee dispute the determination. The District's judgment will not be overturned unless it is arbitrary, capricious, discriminatory or made in bad faith.
- (b) Any employee awarded the vacant full-time Receptionist shift will be subject to a ninety (90) day probationary period.

ARTICLE 6. UNION REPRESENTATIVES

Employees of the Union may enter the premises of the District to observe whether the terms and conditions of this Agreement are being adhered to, provided that such activity shall not interfere with or delay the work of the employees of the District.

ARTICLE 7. OFFICERS, STEWARDS AND NEGOTIATIONS

Section 1. Notice of Officers and Stewards

The Union shall notify the District in writing of its Officers and Stewards. The District will grant time off, without pay, to Officers and Stewards whenever it is necessary to conduct Union business. Proper advance notice of such time off shall be given to the immediate supervisor. For any union business scheduled a week or more in advance, proper notice shall be no less than five (5) days.

Section 2. Release Time for Stewards

The Union may designate alternates to the Steward for release time purposes. No more than one (1) CSR2 and no more than a total of two (2) employees shall be released at any one time.

Section 3. Release for Negotiations

No more than one (1) CSR2 and no more than a total of two (2) Union Representatives shall be released from work, without pay, for the purposes of negotiations pursuant to Article 32, Duration of Agreement.

Section 4. No Loss of Seniority

No employee shall lose seniority because of their Union time off under this Article.

ARTICLE 8. NO DISCRIMINATION

Neither the District nor the Union shall discriminate for or against any employee on account of race, religion, color, national origin, sexual orientation, sex or union activity; nor to the extent provided by law, on account of age or disability.

ARTICLE 9. DISCIPLINE AND DISCHARGE

Section 1. Discipline and Discharge for Just Cause

Normally, progressive discipline will be followed by the District in the issuance of discipline. The District shall not discipline or discharge any employee without just cause. Discipline issued to probationary employees is not subject to review or grievance under provisions of this Agreement. Counseling, verbal or written, shall not be considered or used as discipline.

Written discipline shall include facts sufficient to provide notice to the employee of the misconduct or deficiencies for which the District holds the employee responsible.

No prior disciplinary warnings need be given before the District may discharge an employee for theft of money or property, falsification of time records, intoxication or use of drugs or alcohol while on duty, insubordination or violent, abusive or negligent conduct which threatens or endangers the health or safety of the employee or other persons.

In reviewing an employee's record for purposes of discipline, disciplinary entries older than four (4) years from the date of the event giving rise to the discipline will not be used or considered at any hearing or arbitration to support further charges. The District and arbitrator may only consider the length of service, previous performance appraisals and any commendations for the same four (4) year period.

Section 2. Notice to Union and Employee

The District will notify the employee in writing with a copy to the Union of discipline, suspension or discharge within forty-five (45) days of the District's date of knowledge that the employee engaged in misconduct provided the District has completed its investigation and it has received all information from third parties. The Union or employee shall be given the opportunity, upon request, to examine the contents of an employee's personnel file.

Unless it results in the issuance of discipline a customer complaint may not be made a part of an employee's personnel file. Letters of commendation shall be provided to the employee.

Section 3. Annual Performance Appraisal

The District shall review and provide the employee with a copy of their annual written performance appraisal. Annual appraisals may be made the subject of review under the Grievance Article.

ARTICLE 10. SENIORITY

Section 1. Seniority Defined

Date of Hire Seniority

District date of hire seniority shall be the first day the employee is on the District's payroll. District date of hire seniority shall be established by the District's payroll records.

Current employees in any and all classifications shall retain their seniority as established November 13, 2009.

Classification Seniority

For classification seniority purposes there shall be five (5) classifications:

1. Full-time Customer Service Representative 2
2. Full-time Customer Service Representative 1
3. Part-time Customer Service Representative 1
4. Extra-help Customer Service Representative 1 (Grandfathered employees and the Extra-Help classification will not exist upon the departure of last Extra Help employee)
5. Receptionist

Once the Receptionist position is permanently vacated it will be awarded by seniority. Employees must be trained as a Receptionist before being eligible to bid the position. If the Receptionist position is not bid it shall be awarded in inverse seniority order to an employee trained as a Receptionist.

For purposes of vacation and floating holiday bidding, promotion, extra work and temporary vacancies, and layoff the Receptionist will be treated as a CSR1.

Classification seniority begins on the first day of work within the particular classification. District payroll records shall establish the employee's first day of work in a classification.

Section 2. Identical Seniority Dates

Seniority ranking between employees with an identical date of hire seniority or classification seniority date shall be determined by their date of birth (the oldest being the most senior). If a bargaining unit employee and a non-bargaining unit employee begin working in a classification on the same day, the bargaining unit employee will have greater classification seniority.

Section 3. Layoff, Severance and Recall

If the District determines there is a need to reduce the workforce it will notify the Union in writing of its intention to conduct a Work Schedule Sign-up. The Work Schedule Sign-up will be coordinated with the Union in a manner similar to the procedures described in Work Schedule Sign-up Article. In the event of a layoff, Extra-Help CSR1's will be laid off before full-time and part-time CSR1s. Full-time CSR1's identified for lay-off will have the first opportunity to bid for a part-time schedule. The Full-time CSR1 bidding into a Part-Time classification will no longer have classification seniority in nor recall rights to the Full-time classification and will begin to accrue classification seniority upon the first day in the Part-Time classification. Employees who lack the seniority to bid a Work Schedule shall be provided two weeks written Notice of Layoff.

Within one (1) week of Notice of Layoff, the employee must notify the District in writing of the employee's decision to accept severance or to retain seniority and be eligible for recall or they will be placed on the Recall List.

Full-time CSR1s and CSR2s who are laid off and who elect severance are eligible to receive one week's pay for every full year of service. Part-time CSR1s who are laid off and who elect severance are eligible for pro-rata (50% of full-time) severance for every full year of service. Employees who elect severance are not eligible for recall. To be eligible for severance or to be placed on the recall list, the employee must continue to work, as scheduled, for the entire Notice of Layoff period. Employees on the Recall List are responsible for notifying the District of any change of address. The District will notify the employee of recall at the employee's last known address.

CSR2s will be recalled by classification seniority, the most senior recalled first.

CSR1s on the Recall List will be recalled in their classification by classification seniority order.

Section 4. Loss of Seniority

Seniority shall be terminated by reason of:

- (a) Resignation.
- (b) Discharge for just cause.
- (c) Failure to return to work within fifteen (15) calendar days from the date the Notice of Recall is mailed.
- (d) Failure to return from (or acceptance of any other full time employment during) an authorized leave of absence in accordance with the terms of such leave.
- (e) Layoff of two years or acceptance of severance pay.

Section 5. Disability Assignment

At the request of the employee and supported by medical verification, employees who have become disabled while in employment by the District and are therefore unable to fill their usual positions shall be given preference for any work the District has that they are qualified and competent to perform. The District shall be the judge of the qualifications and competency of such employees.

Section 6. Continuation of Seniority

Seniority shall not be broken and shall continue to any employee who is granted a leave of absence to serve as an official of the local Union or its International Union. Any such employee who is granted leave to be full-time local union officers shall be permitted to remain on the payroll of the District and shall receive biweekly pay at his or her hourly rate for a forty (40) hour week. Such employees may continue to participate in retirement and health, dental and vision care plans but shall not accrue any other employee benefits provided under this Agreement. The District will deduct the full cost of wages, benefits and all payroll taxes from the dues deductions payable to the Union on a monthly basis and provide a statement to the Union. If dues deductions are insufficient to cover the costs as provided in this section, the Union shall remit the difference by the 15th day of the following month.

Section 7. Seniority List

The District will maintain and provide the Union with seniority lists for the Customer Service Unit. A copy of the lists will be provided to the Union upon request and within a reasonable period of time following a change in the list. On or before the 5th of each month, the District will forward to the Union the names, job classifications and dates of employment of new employees and the names of employees who have separated employment. The District shall at the same time forward to the Union the names of employees transferred to or from the bargaining unit and the effective dates.

Section 8. Employment Outside the Customer Service Unit

Date of hire seniority shall be retained but classification seniority shall not continue to accrue during the time an employee is working outside the Customer Service Unit within the District. An non-probationary employee accepting such a position outside of the Customer Service Unit will have the right to return within six (6) months to the classification they vacated in the Customer Service Unit. Classification seniority shall

continue to accrue if the employee returns to his/her previous classification before the probationary period in his/her new position ends.

ARTICLE 11. EMPLOYEE CLASSIFICATIONS

Full-time Customer Service Representative 2: Regularly scheduled to work forty (40) hours per week.

Full-time Customer Service Representative 1: Regularly scheduled to work forty (40) hours per week.

Receptionist: Incumbent employee as of the effective date of Agreement who is working a full-time (forty (40) hour) schedule.

Part-time Customer Service Representative 1: Regularly scheduled to work twenty (20) hours but less than forty (40) hours per week.

Extra-help Customer Service Representative 1: Regularly scheduled to work less than twenty (20) hours per week. Not permitted to work more than nine hundred ninety-nine (999) hours per fiscal year.

ARTICLE 12. PAYROLL PERIOD, DEDUCTIONS AND SHORTAGES

Employees shall be paid biweekly. Check stubs shall itemize all deductions from the employee's pay. In the event an employee is shorted on a paycheck and the shortage is one hundred dollars (\$100) or less, the shortage shall be included on the employee's paycheck on the next normally scheduled pay date after the shortage has been verified by the District. If the shortage is more than one hundred dollars (\$100), then the shortage shall be paid via a manual check to the employee within two (2) accounting workdays after verification of the shortage by the District. In the event an overpayment is made in error, the District will notify the employee and the Union in writing, and the overpayment shall be deducted from the employee's paycheck within fourteen (14) calendar days following the discovery of such overpayment by the District.

ARTICLE 13. HOURS OF WORK

Section 1. Full-time Guarantee

Full-time employees will be scheduled eight (8) hours per day, forty (40) hours per week. Receptionist may volunteer to take PTO on the District designated furlough days off or to be assigned telephone or other work in the Customer Service Center.

Section 2. Part-time Guarantee

Three (3) of the four (4) Part-time schedules for CSR1s are guaranteed twenty-five (25) hours per week, except during weeks containing holidays or floating holidays. Part-time CSR1s will be scheduled two (2) consecutive days off during a seven-day work schedule.

Section 3. Meal Periods

Customer Service employees scheduled 5.5 hour shifts or more will be scheduled a thirty (30) minute unpaid meal period on weekdays and up to sixty (60) minutes on weekends and holidays.

ARTICLE 14. VACANCIES

Section 1. Customer Service Representative 2 (CSR2) Vacancies

The District will determine when a CSR2 position is vacant and is to be filled. Promotions to the CSR2 positions will be by the District date of hire seniority from the Substitute CSR2 list of qualified Customer Service Representative 1s (CSR1s) or Receptionist. To be eligible for the promotion, the CSR1 or Receptionist must have no formal disciplinary suspensions and no attendance discipline (counseling is not discipline) in the previous six (6) months and have a current annual evaluation rating of satisfactory. Promotions will be offered in classification and seniority order in the following order Full-time, Part-time and Extra-help.

The District will maintain the Substitute CSR2 list of CSR1s and Receptionist they have determined to be qualified to work as CSR2s. The list will contain the names of up to, but not more than ten (10) CSR1s. To be placed on the Substitute CSR2 list, employees must demonstrate the basic skills required for the position [Word, Excel, and Writing]. The District shall be the judge of the qualifications and competencies of such employees but such judgment may be made the subject of a grievance should the employee dispute the determination.

The vacated CSR2 schedule will be offered to the other CSR2s by classification seniority. The resulting vacancy will be offered in seniority order to the qualified CSR1s or Receptionist as described above. If a CSR1 or Receptionist declines the opportunity it will be offered to the next qualified employee in seniority order. Once an employee is promoted to a CSR2 position the employee will serve a 90-day probationary period.

If the District determines that there are no qualified members of the bargaining unit to fill the vacancy, the District may fill the position with people outside the bargaining unit.

Section 2. Full-time or Part-time Customer Service Representative 1 (CSR1) Vacancies

The District will determine when a CSR1 Full-time or Part-time position is vacant and is to be filled. If the Full-time CSR1 position is to be filled it will be offered first to the other

Full-time CSR1s then to the Part-time CSR1s and finally to the Extra-help CSR1s by classification seniority. The position will be posted and awarded within seven (7) days of the District's determination. The bidding to fill the vacancy will be conducted in a manner prescribed by the District. The new schedule will start on the Sunday of the next workweek.

To be eligible for the position employees must not have any formal disciplinary suspensions and no attendance discipline (counseling is not discipline) in the previous six (6) months and must have a current annual rating of satisfactory. Part-time CSR1 positions will be filled in the manner described above starting with the Part-time CSR1s. Extra-help CSR1s positions will be filled in the manner described above.

If the District determines there are no qualified employees in the bargaining unit to fill the position the District may fill the position with people outside the bargaining unit.

ARTICLE 15. EXTRA WORK AND TEMPORARY VACANCIES

A temporary vacancy is a known absence from the regular work schedule. The District will determine if a temporary vacancy exists, the probable duration and how to fill it.

Vacancies of more than ten (10) calendar days in Receptionist, Full-time and Part-time CSR1 shift(s) will be filled by classification seniority. Extra-help CSR1 vacancies are filled at the District's discretion.

Section 1. Temporary Vacancies in CSR2

The District shall maintain a Substitute CSR2 List of prequalified CSR1s and Receptionist. The list will be ranked by classification seniority.

Temporary vacancies and extra work of less than ten (10) calendar days will be rotated through the Substitute CSR2 List in following order of priority:

- (a) Full-time CSR1s and Receptionist available not requiring overtime,
- (b) Part-time CSR1s available not requiring overtime,

(a) New Employees

Newly hired employees may not utilize Paid Time Off until the completion of their training and probationary period.

(b) Vacations

Paid Time Off to be used for vacations will be scheduled by the District in conjunction with the Work Schedule Sign-up. Seniority shall control in the selection of vacation periods. Employees will not be allowed to schedule more vacation time off than they will have earned in Paid Time Off at the time of the vacation.

(c) Bereavement

In the event of bereavement, employees must personally notify a supervisor on duty at their place of work of their unavailability for work. Bereavement leave shall be limited to a death in the employee's close family and shall not exceed five (5) consecutive calendar days. The employee's "close family" is limited to the employee's spouse, domestic partner, children of either spouse or domestic partner, grandchildren of either spouse or domestic partner, parents, or brothers and sisters of either spouse or domestic partner, and natural grandparents of either spouse or domestic partner. Additional time off to be taken in conjunction with, or as an extension of, bereavement leave is subject to the District's approval.

(d) Illness or Injury

In the event of illness or injury, employees must personally notify a supervisor of record on their recorded line as directed by the District (or such other method of notification as may be hereafter established by the District) at least sixty (60) minutes prior to their regular starting time of their unavailability for work.

The District will supplement any State Disability Insurance, Paid Family Leave or Workers' Compensation to which the employee is entitled, up to a full day's pay, from the employee's accumulated Paid Time Off.

Use of Paid Time Off for illness or injury of the employee in excess of two (2) consecutive workdays may be subject to the requirement by the District of reasonable proof of illness.

(e) Other Uses of Paid Time Off

All time off for reasons other than those set forth in paragraphs b, c and d above, including that for vacations not scheduled by the end of the selection process set forth in this Agreement, must be authorized in advance, in writing, by the District. be requested not more than thirty (30) days and not less than seven (7) days in advance of the intended day. The District will respond to the request within three (3) business days.

(g) Accounting and Reporting

The District shall implement a method of accounting and reporting accumulated Paid Time Off for each employee.

(h) PTO Sell Back Program

Until April 23, 2022, Employees may elect to buy back PTO once per calendar year. To be eligible the employee must have utilized at least 80 hours of PTO for vacation in the 26 pay periods preceding the request. Program participants must maintain a balance of 240 hours of PTO. PTO Sell Back request forms may be obtained from Human Resources or on the Depot.

PTO will be paid at the wage rate in effect at the time of the sell-back. Payment of PTO under the sell-back program is taxable income and will be reported as such on the employee's W2. If the employee is not sure how this payment will impact their personal tax situation, they should seek advice of a tax professional. PTO sold under the program is not subject to PERS withholding or counted as wages for retirement calculation purposes.

PTO sell-back payments will be processed by the Payroll Department along with the normal biweekly payroll. No manual or off-cycle checks will be issued. PTO sell-back requests received by the Payroll Department before the end of the current pay period will be processed and if eligibility is verified payment will be included on the scheduled pay date for that period.

PTO sell back payments, if determined to be allowable by the IRS, can be contributed to the employee's IRC 115 Retiree Medical Reimbursement Trust account to be used for postretirement medical expenses or into the employees' 457 plan.

(i) Irrevocable Election to Cash-out PTO in the Following Calendar Year

In December of each year, employees may make an irrevocable election to cash-out PTO that will accrue in the next calendar year. The employee may elect to cash out all or a portion of the PTO they will accrue. The irrevocable election must be made on a form provided by the District and the form must be delivered to payroll department on or before the final workday in the

calendar year prior to the cash-out. The amount of PTO that may be cashed out is limited to the amount of PTO the employee will otherwise accrue in the following calendar year. An employee may only receive the cash out after the PTO has actually accrued. So, for example, if the employee irrevocably elects to cash-out one half of their annual accrual, the employee will not receive the PTO cash-out until at least July of the following year when the PTO has accrued. All elections are irrevocable and cannot not be modified, changed or rescinded after the last day of the calendar year in which the election form is received by the District. The PTO will be cashed-out at the wage rate in effect at the time the employee receives the cash-out.

ARTICLE 18. LEAVES OF ABSENCE

If an employee, who has been on leave as provided by Section 1(b) or 1(d) of this Article, for a continuous period of more than ninety (90) calendar days returns to work for less than thirty (30) calendar days, the leave of absence will be deemed to be continuous for purposes of any maximum limitation on the duration of the leave.

(c) Leaves According to State and/or Federal Law

The District provides pregnancy disability leave, family and medical leave, military leave and other leaves in accordance with and as required by applicable law.

(d) All Other Leaves of Absence

All other leaves of absence with or without pay shall be deemed leaves for personal reasons and will be granted or denied at the discretion of the District except that the District shall grant leaves for up to one (1) employee designated by the Union to permit them to serve as a Full-time Union officer.

Section 2. Pay During Leave

The employee's entitlement to pay during any leave or time off provided in this Article will depend upon the availability of Paid Time Off, temporary disability pay under Workers' Compensation, State Disability Insurance or Paid Family Leave. Whether the employee continues in pay status or receives pay supplementation from one or more of these sources does not extend or reduce the maximum amount of leave to which an employee is entitled under any part of this Article. (Employees on military leave shall be compensated in a manner and to the extent provided in the military leave policy applicable to all District employees.)

Section 3. Continuation of Benefits

Employees who are on leave of absence as provided by Section 1(d) above, shall be allowed to continue their health and dental benefits by making the entire contribution during such leave. Full-time employees who are on leave of absence as provided by Section 1(a) above shall have their health and dental coverage continue for the first nine (9) months of such leave by making their regular contribution and thereafter shall be allowed to continue their health and dental coverage by making the entire contribution for the remainder of the leave. Part-time employees who are on leave of absence as provided by Section 1(a) above shall be allowed to continue their health and dental coverage by making their regular contribution for the first nine (9) months of such leave and by making the entire contribution for the remainder of the leave. Part-time employees who are on leave of absence as provided by Section 1(b) above shall be allowed to continue their health and dental coverage by making their regular contribution for the first six (6) months of such leave and by making the entire contribution for the remainder of the leave. Employees who are on leave under Section 1(c) above shall be entitled to continue health and dental coverage either at their own expense or as otherwise required by law for the duration of the leave. (Employees on military leave shall

be compensated in a manner and to the extent provided in the military leave policy applicable to all District employees.)

ARTICLE 19. WORKERS' COMPENSATION; STATE DISABILITY AND UNEMPLOYMENT INSURANCE; AND FELONIOUS ASSAULT INSURANCE

All employees are covered by Workers' Compensation, State Disability Insurance and Unemployment Insurance. In addition to the foregoing, the District shall continue the daily compensation of an employee entitled to collect Workers' Compensation for the day of injury and for the remainder of any Workers' Compensation waiting period which paid time shall be charged against the employee's accumulated Paid Time Off. Employees who lose work time to keep follow-up medical appointments required because of on-the-job injuries for which they are entitled to Workers' Compensation benefits shall be permitted to receive the balance of their daily compensation which shall be charged to the employee's Paid Time Off.

The amount of the District's fixed employer contribution to PERS medical premiums will not increase in any subsequent year above the dollar amount listed above. The Full-time employee contribution will be ten percent (10%) of the premium in each coverage level.

Once PERS medical coverage levels and Cafeteria Plan Benefit options are selected during the open enrollment period, those selections may only be changed under circumstances permitted by PERS and the terms of the Cafeteria Plan Benefit respectively. The District's obligation to pay a portion of the retirees' medical insurance premium is capped at the employer premium contribution rates listed above for active employees.

The amount of the District's Cafeteria Plan Benefit for each employee is determined by the employee's eligibility for and the employee's selection of a medical insurance coverage level under PERS. The District's Cafeteria Plan Benefit is included as part of the employee portion of the premium payment to PERS. In January 2014, the District will contribute to the employee's Cafeteria Plan Benefit in an amount that when added to the employer's fixed premium contribution will equal ninety percent (90%) of the PERS Bay Area HMO plan premiums. The Cafeteria Plan Benefit must be applied to the medical insurance premium.

If the PERS premium for the selected coverage exceeds the sum of the District's fixed employer contribution, the Cafeteria Plan Benefit and the employee direct contribution, the excess amount will be automatically withheld by the District from the employee's salary to pay the premium to PERS. No portion of the District's Cafeteria Plan Benefit will be payable in cash to any employee participating in PERS.

(a) **Annual Medical Premium Increases and Increases to Cafeteria Plan Benefit**

Annual increases to the PERS medical insurance premiums in subsequent years will not be paid by the District as an employer premium contribution to PERS. Annual increases to the medical insurance premiums for Bay Area HMO plans will result in the following adjustments to the District's Cafeteria Plan Benefit. The District will increase the dollar amount of its Cafeteria Plan Benefit so that the Cafeteria Plan Benefit is increased to an amount that when added to the fixed employer contribution and the employee direct contribution equals one hundred percent (100%) for the Bay Area HMO premium for the selected coverage level.

Employees who select a medical insurance plan other than a Bay Area HMO (i.e. a plan more expensive than a Bay Area HMO) will receive a Cafeteria Plan Benefit equal to the benefit received by employees who have selected the same coverage level in the highest cost Bay Area HMO.

If, during the term of this Agreement only, the District makes improvements to the pension or medical benefits of the non-represented employees, the members of this bargaining unit will receive the same improvements.

(b) **The Cafeteria Plan Extended Illness Benefit and Cash-out**

Any Full-time employee who is eligible but who elects not to participate in a PERS medical (must satisfy PERS eligibility to waive coverage) insurance program will receive a monthly Cafeteria Plan Benefit of two hundred dollars (\$200.00) that may be used only to purchase the Cafeteria Plan Extended Illness Benefit. The Extended Illness Benefit is a separate plan not part of the District's Paid Time Off program. The Extended Illness Benefit cannot be used unless and until an employee has exhausted all accrued Paid Time Off. The Extended Illness Benefit may only be used by an employee who is on an approved leave of absence pursuant to Family Medical Leave Act (FMLA), California's Family Right Act ("CFRA") or the Pregnancy Disability Act ("PDA") and who has used all accrued Paid Time Off. Extended Illness Benefit dollars will be converted to hours available under the Extended Illness Benefit and is determined by dividing the applicable straight time hourly rate, then in effect for the employee, into the dollar amount then available to the employee as the Extended Illness Benefit.

Extended Illness Benefit cannot be carried over to the next calendar year. All unused Extended Illness Benefit must be cashed out on the final pay date in the calendar year in which the benefit is earned. The payout will be subject to all applicable tax withholdings and to the standard payroll deductions previously authorized by the employee. The maximum annual gross amount due to the employee on the final pay date in December is twenty-four hundred dollars (\$2,400.00).

Section 2. Medical Benefits, Part-time Employees

Part-time employees shall be covered under the applicable sections of this Agreement unless otherwise provided or unless the context suggests otherwise. Part-time employees shall receive and accumulate fifty percent (50%) of the following fringe benefits: Paid Time Off (PTO), jury duty pay, holiday pay, health plan, dental and vision plans; part-time employees shall participate in the pension program of the District.

Section 3. Retiree Medical Reimbursement Trust

The amortization period for the fund is thirty (30) years. The fund shall have an actuarial study done at least every two (2) years. There will be two (2) members appointed by each party who sit as members on the committee.

Section 5. Life Insurance

The District will continue to contribute one hundred percent (100%) of the premium for Full-time employees. The District shall contribute fifty percent (50%) of the premium for Part-

(b) Employer Paid Member Contributions

The District shall continue to pay the employee's portion of the Employer Paid Member Contribution for both Full-time and Part-time employees.

As soon as the District is able to process the change with PERS, employees will pay two percent (2%) of the employee contribution to the PERS retirement system.

Effective July 1, 2012, employees will pay an additional two percent (2%) of the employee contribution to the PERS retirement system. Effective June 30, 2013, employees will pay an additional one percent (1%) of the employee contribution to the PERS retirement system. Effective June 26, 2016, employees will pay an additional one percent (1%) of the employee contribution to the PERS retirement system.

(c) Optional 2 Pre-Retirement Death Benefit

The District shall provide the Pre-Retirement Option 2 Settlement Death Benefit in PERS.

Section 9. Domestic Partner

(a) Definition of Domestic Partner

A “Domestic Partner” is the partner of an employee sharing a long-term committed relationship of indefinite duration with the following characteristics:

- (i) The partners have lived together for at least six (6) months.
- (ii) The partners have an exclusive mutual commitment similar to that of marriage.
- (iii) The partners are financially responsible for each other’s well-being and debts to third parties. This means they have entered into a contractual commitment for that financial responsibility or have joint ownership of significant assets (such as a home, car, bank accounts) and joint liability for debts (such as a mortgage and major credit cards).
- (iv) Neither partner is married to anyone else nor has another domestic partner.
- (v) Partners are not related by blood closer than would bar marriage in the State of California.

(b) Eligibility for Benefits

Employees may include a domestic partner in the District’s medical, dental and vision plans and for such other benefits as explicitly authorized in this Agreement. To be eligible for any such benefits, the employee and his or her domestic partner must execute a Declaration of Domestic Partnership on a form provided by the District and such other forms and enrolling documents as the District or any plan may require.

(c) Tax Consequences and Other Liability

Including a domestic partner in such plan(s) is likely to require an increase in the employee’s taxable income by imputing income to the employee. Employees may be held liable for any services provided to ineligible individuals and are responsible for reporting to the District in writing any termination of a domestic partnership. In addition, income to the employee will continue to be imputed to the employee for domestic partner coverage unless or until the employee notifies the District in writing that he or she wishes to terminate such coverage.

ARTICLE 21. JURY DUTY

Employees who have completed their probationary period who are called for Jury Duty or Grand Jury Duty and provide proof of appearance for such duty to the District, shall receive full pay therefore, provided they assign the amount received for Jury Duty or Grand Jury Duty to the District. An employee scheduled to work Saturday or Sunday who performs trial jury service on his or her regular day off, must submit a written request to receive two consecutive days off beginning the second workweek of jury service.

ARTICLE 22. FAMILY TRANSPORTATION

Employees who have completed their probationary period, their spouse or domestic partner (as defined elsewhere in this CBA) and dependent children under the age of eighteen (18), and individuals who terminated their employment pursuant to the retirement programs established by this Agreement, shall be provided with free transportation on all systems operated by the District provided the spouse, domestic partner or dependent resides, works, or goes to school in San Mateo County upon presentation of an identification card or other means of verification of eligible status as may be selected and issued by the District. In addition, economically dependent children, ages eighteen (18) through twenty-two (22), who need to ride District transportation systems to and/or from college, and who verify that need through a declaration or other means established by the District shall be provided with free transportation on all systems operated by the District upon presentation of an identification card or other means of verification of eligible status as may be selected and issued by the District. The District shall require an annual verification of spouse, domestic partner and dependent children status and eligibility by each employee on a form to be provided by the District. For a spouse, domestic partner or dependent who does not reside, work or go to school in San Mateo County an employee may obtain from Human Resources a pass for each eligible dependent for a specified date. Because a transportation pass for a domestic partner will result in an increase in taxable income of the employee, the District will require annual confirmation that the employee desires that the District provide a transportation pass to his/her domestic partner. The value of the transportation pass will be imputed to the employee's income for the calendar year in which it was issued unless the transportation pass was returned to the District. The District may revoke the transportation privileges of any employee, spouse, domestic partner or dependent who breaches District rules concerning use of passes or is unruly or disruptive on District buses. This Article does not apply to paratransit services. Employees in Customer Service shall continue to receive free transportation on Caltrain as long as the District continues to participate in the Go-Pass program at Central.

This additional premium shall only be paid for actual hours worked and shall not be allowed in computing time off, termination payments, etc.

Bilingual speaking or writing services to the public shall be defined as:

Public contact which requires continual eliciting and explaining information in a language other than English; or where translation of written material in a language other than English is a continuous assignment; or the position is the only one in the work location where there is a demonstrated need for translation of a language other than English in providing services to the public.

ARTICLE 25. WORK SCHEDULE SIGN-UP

The Sign-ups to bid work schedules will be held in December and June and be effective the second Sunday in January of the following year and the second Sunday of July. The District shall determine the staffing levels and post the work schedule for the Sign-up for at least two (2) weeks prior to the date of the Sign-up. Normal work schedules, including days off and Holiday work schedules will be bid. If within the first thirty (30) days of the implementation of the schedule the District determines that the work schedule does not adequately address call volumes the District will meet and confer with the Union regarding minor work schedule adjustments to meet these call volume issues.

Scheduled time off for vacation will be bid at the December Sign-up.

The Union will conduct the Sign-up. The Sign-up will start at 9 a.m. on the Monday following the conclusion of the posting period and will proceed until completed that day. Employees will be allowed two (2) minutes to bid for a work schedule. Fifteen (15) minutes for the bidding of scheduled time off will be allowed at the December Sign-up. The Sign-up will be conducted so that it does not interfere with the employee's work time. Upon completion of the Sign-up, the Union will deliver a copy of the bid results to the District. The District will post the bidding results and those results will be final forty-eight (48) hours after the results are posted. Any errors discovered prior to the results becoming final must be resolved within the forty-eight (48) hour period. The original Sign-up results will be kept by the Union and one copy will be given to the District. Employees will not be paid for time spent in the Sign-up. Employees must be present or submit a proxy bid to the Union for the Sign-up. Proxy bids must be submitted to the Union by 9:00 a.m. on the Monday prior to the beginning of the Sign-up. Employees who fail to submit a proxy bid, who do not appear at the bid within the prescribed time or whose bid is not identifiable or usable shall have their schedule bid by the Union.

The Union will not bid for time off unless the employee submitted a legible and usable proxy and the dates and the times are available.

The District will provide the Union with the work schedules one (1) week in advance of the posting date. The Union shall have the opportunity to review and discuss the work schedules with the District, including the Director of Human Resources or designee and will notify the District in writing of any errors in the schedule prior to the schedules being posted.

On the second Sunday of January and the second Sunday of July the District will post the work schedules.

ARTICLE 26. VACATIONS AND FLOATING HOLIDAYS

Selection of Vacations and Floating Holidays

Employees shall bid for vacation and/or floating holidays by written proxy or e-mail to the Supervisor with a copy to the Union or in person. Employees on duty at the time of their bid will be released for up to ten (10) minutes to bid, Customer Service concerns permitting. The bid will be conducted at 9:00 a.m. on the Monday immediately following the December work schedule sign up by the Supervisor and Union representative.

Section 1. Vacation:

The District will determine the number of vacation bid slots for each classification for the year. Vacation slots are in weekly increments starting on Sunday and ending on Saturday. Full-time and Part-time employees will not be allowed to bid more vacation than they will have accrued at the time of the vacation. Bid vacations must be taken unless it is

cancelled by the employee or the District as outlined below. Vacation slots that were not bid in December will be available for bid the week following the June work schedule sign up.

(a) Employee cancellation:

Employees must notify their Supervisor in writing not less than fourteen (14) days prior to the start of the bid vacation if they wish to cancel the vacation.

(b) District Cancellation:

If the Full-time or Part-time employee does not have sufficient Paid Time Off to take the vacation the vacation will be cancelled by the District and the employee must work their regular schedule.

(c) Verification:

If an employee has a question about whether or not they have sufficient Paid Time Off for their bid vacation, the employee may verify the amount of Paid Time Off accrual by submitting a Time Off Request to their supervisor no sooner than thirty (30) days or no later than twenty-one (21) days prior to the start of the bid vacation.

Section 2. Floating Holiday:

The District shall determine the number of floating holiday slots available for each classification for the year. All floating holidays will be bid or assigned in December. Once bid or assigned the days cannot be changed.

If as a result of the June schedule bid a previously bid floating holiday falls on the employee's day-off the employee may; 1) receive pay for the floating holiday or; 2) within two (2) weeks of the June schedule bid, reschedule the floating holiday to an available scheduled workday within the same week the floating holiday was originally bid.

ARTICLE 27. GRIEVANCE PROCEDURE AND ARBITRATION

Section 1. Definitions and Time Limit

- (a) The purpose of this Article is to resolve grievances and resolve them where possible at the lowest possible step of the process. A grievance is defined

as, and is strictly limited to, disputes which arise concerning the interpretation or application of the specific terms of this Agreement, including the discharge, suspension or demotion of employees. All grievances must be presented, in writing on a form to be furnished by the Union, to the District within ten (10) calendar days of the date of the alleged breach of this Agreement or from the date of discipline giving rise to the grievance. The discipline and/or discharge of new probationary employees is not subject to review under the provisions of this Article.

- (b) All grievances shall be submitted with a clear indication of the issues raised by the grievance, the affected employees, and the specific provisions of this Agreement which are alleged to have been violated and the remedy sought. Grievances shall be issued on behalf of the Union or a bargaining unit employee.

Section 2. Grievance Procedure

(a) Step One

Step One. Written grievances will only be presented by the Union President and will be presented to the Supervisor designated by the District. The District shall contact the Union to agree upon a time and place to meet and explore a resolution of the grievance.

Within ten (10) calendar days after receipt of any written grievance, representatives of the parties shall meet to explore resolution of the grievance. The representatives may, where they agree it would be productive, bring together persons with first-hand knowledge of the facts to see if factual differences can be resolved. Each party shall, upon request of the other, present for inspection records or other documents relevant and necessary to effective consideration of the grievance. Any resolution of the grievance to be effective shall be in writing and signed by representatives of each party. If the grievance cannot be resolved, the District's written rejection of the grievance, and the reason thereof, shall be presented to the Union with a courtesy copy to the employee within ten (10) calendar days after the date of the Step One meeting.

(b) Step Two

Within five (5) calendar days of the District's rejection of the grievance at Step One, the Union may, in writing, refer the grievance to the District's Director, Human Resources.

The Director, Human Resources, or designee, and a Union Officer shall, within ten (10) calendar days, meet to attempt to resolve the grievance. Any resolution of the grievance shall be in writing. If the grievance cannot be resolved, the District's written rejection of the grievance and the reason therefore, shall be issued to the Union with a courtesy copy to the employee

within ten (10) calendar days after the date of the Step Two meeting. The reimbursement of wages for employees called as witnesses, where a loss of wages has been incurred by said employee shall be paid by the party wishing to present such witness.

(c) Step Three - Referral to Arbitration Proceedings

Whenever the Union has submitted a grievance which has been decided in a manner unsatisfactory to the Union and the Union desires to arbitrate the dispute, the Union shall submit the request in writing within five (5) calendar days after the next regular scheduled Union meeting following the unsatisfactory decision of the Director, Human Resources.

The District's Director, Human Resources, or designee, and the Union President, or designee, shall meet each month at a regularly-scheduled time to review the grievances which the Union desires to arbitrate. The parties shall discuss the merits of such grievances and strive to identify those grievances the parties mutually agree should be resolved through the Accelerated Arbitration Process.

Agreements to resolve grievances through the Accelerated Arbitration Process shall be in writing and shall include the issue(s) submitted, stipulations of fact, modifications of hearing procedures, if any, and the date of arbitration. Any grievance referred to Arbitration about which such agreement cannot be reached shall be referred to the Formal Arbitration process.

Section 3. Accelerated Arbitration Process

- (a) The Accelerated Arbitration Panel shall consist of the Union President, or designee, the District Director, Human Resources, or designee, and John Kagel, neutral arbitrator. In the event of John Kagel's resignation or continued unavailability, the parties shall meet promptly to agree upon a successor. If the parties are unable to agree upon a successor, all disputes referred by the Union for arbitration shall be resolved through the Formal Arbitration Process until a successor is agreed upon.
- (b) The Accelerated Arbitration Panel shall meet each month at a regularly scheduled time following the Union's regular membership meeting, and on such other days as may be scheduled by mutual agreement, to resolve cases which have been referred to Accelerated Arbitration.
- (c) The Accelerated Arbitration Panel shall hear whichever case(s) the parties mutually agree to schedule for that hearing date. In the event the parties begin but do not complete a case scheduled for a particular hearing date, such case shall be completed by the Arbitration Panel at the next regularly-scheduled Accelerated Arbitration hearing. Any case which cannot be initiated at the scheduled date shall be rescheduled by mutual agreement.

(d) Hearings

- (i) Each party shall have one and one-half (1-1/2) hours to present its case, including whatever time it wishes to reserve for rebuttal, unless otherwise modified by the parties in writing in advance of the hearing or as so modified by the neutral arbitrator. The presentation of evidence shall be made by submitting a statement of facts stipulated by the parties and/or the presentation of witnesses and documentary evidence. A court reporter shall transcribe the proceedings, but a transcript shall be prepared only upon the request of either party. After the parties have presented the evidence, each party shall have an opportunity for oral argument before the Accelerated Arbitration Panel for a period of not more than fifteen (15) minutes. No written briefs shall be submitted.
- (ii) Following each case, the Accelerated Arbitration Panel shall meet in executive session. The neutral arbitrator shall moderate the discussion with the objective of achieving agreement between the parties. If the parties cannot agree, the neutral arbitrator shall determine the award.
- (iii) The neutral arbitrator shall announce the award orally to the parties, including the Grievant. The award shall be documented at the hearing but shall not include a written opinion. A court reporter shall transcribe the proceedings, but a transcript shall be prepared only upon the request of either party.
- (iv) The award shall be final and binding on both parties, but shall not be used as a precedent in any other case. The fee and expenses of the neutral arbitrator and court reporter shall be shared equally by the parties. The party wishing to present an employee as a witness shall pay the employee for any loss of wages incurred. Witnesses shall be scheduled so as to minimize disruption of District service and/or Union business.

Section 4. Formal Arbitration Process

- (a) The Formal Arbitration Board shall consist of three (3) persons, one appointed by the Union and one appointed by the District. Such appointments shall be made, and each party shall notify the other of their respective appointment, within ten (10) calendar days from the date the matter was submitted for arbitration. The two (2) so appointed shall endeavor to select the third member. In the event the persons appointed cannot agree on the third member within ten (10) calendar days of the last appointment, one shall be selected by the alternate striking of names, with the representative of the party requesting arbitration striking first, from the following list of names:

John Kagel, Andrea Knapp, Luella Nelson, Barry Winograd,
Margaret Brogan, Morris E. Davis, Nancy Hutt

- (b) The issue to be submitted to the Formal Arbitration Board shall be limited to the grievance as submitted in writing and in response to the District thereto, and, unless otherwise agreed in writing, the jurisdiction of the Board shall be limited to the determination of said issue. The Formal Arbitration Board shall have no authority to modify, vary, alter, amend, add to or take away from, in whole or in part, any of the terms or provisions of this Agreement.
- (c) The Formal Arbitration Board shall meet in the County of San Mateo within ten (10) calendar days after the selection of the third member, or as soon thereafter as possible.
- (d) The Formal Arbitration Board shall, or either party, may call any employee as a witness, and such employee, if on duty, shall be released from duty for the purpose of such appearance.
- (e) The rulings of the Formal Arbitration Board with respect to the procedure and all objections to the exclusion or inclusion of evidence shall be binding on the parties.
- (f) Each party shall bear the expenses and fees of the member appointed by it and its own expenses involved in the matter. All other expenses incurred by the Formal Arbitration Board, including the making of a record, if the Formal Arbitration Board deems necessary, shall be borne equally by the parties. The reimbursement of wages for employees called as witnesses, where a loss of wages has been incurred by said employee, shall be paid by the party calling such witness.
- (g) The Formal Arbitration Board's decision, and opinion, if any, shall be in writing and shall be submitted within ten (10) calendar days from the conclusion of the hearing unless such time is extended by a majority of the Formal Arbitration Board. The decision of the majority of the Formal Arbitration Board shall be final and binding on the parties.

Section 5. Time Limits Waiver

The time limits set forth in this Article may be waived by the mutual consent of the District and the Union. Failure by the Union to appeal a grievance within the prescribed time limit (or such other limits as may be mutually agreed) shall cause the forfeiture of that Union's position and there will be no rights to further appeal. Failure by the District to respond to a grievance within the prescribed time limits (or such other limits as may be mutually agreed) shall cause forfeiture of the District's position and shall result in the implementation of the relief sought therein.

ARTICLE 28. ACCIDENT REPORTS

Any employee who is involved in an accident while operating District equipment shall notify a Supervisor on duty of the incident immediately following the occurrence. Accident reports shall be made on forms furnished by the District and shall be accurately completed and submitted in a time and manner prescribed by the District. Any employee who is directed by the District to appear in court on its behalf, to attend depositions, or to consult with the District's legal counsel shall suffer no loss of pay for such time expended and shall be paid at his or her applicable rate of pay for such time if outside of the employee's normal work hours.

Failure to report their unavailability to work within the sixty (60) minutes are subject to Attendance discipline.

(c) Excuses

- (1) Employees are expected to leave for work sufficiently in advance of the scheduled start time to allow for unforeseen mishaps or delays. Employees are expected to have reliable means of transportation to work. Examples of mishaps which shall not form the basis for an excused Tardy include power failures, time changes, flat tires, dead batteries, and mechanical failure discovered by the employee when he/she leaves for work on the day in question or normal traffic delays. If an employee takes public transportation and takes at least the second schedule back to get to work on time, the Tardy will be excused where the public system was responsible for the tardy situation.

- (2) If the employee through no fault of their own cannot work, cannot arrive at work on time and cannot report their absence in advance a Tardy may be excused.
- (3) The employee requesting the excused Tardy bears the burden of documenting all material facts constituting the claimed excuse. Such documentation must be submitted to the District as soon as it is available but in no case later than seven (7) days from the day of the Tardy. If an employee submits excuse documentation within seven (7) days from the day of the Tardy, the District will respond to the employee and the Union no later than fourteen (14) days from the date the documentation is submitted. Failure by the District to respond to the employee and the Union within fourteen (14) days from date the documentation is submitted will result in the Tardy being excused. Failure of the employee or Union to submit excuse documentation within seven (7) days from the date of the tardy will result in the tardy not being excused.

(d) Progressive Penalty Provisions

- (1) For each Tardy, the employee shall lose the time in the day's schedule that was not worked. The employee shall be paid only for time actually worked.
- (2) A progressive system of penalties will be levied for repeated Tardies. Employees who incur five (5) Tardies in a rolling four-month period or twelve (12) Tardies in a one-year rolling period are subject to discharge. A warning will be issued for the third Tardy in a four-month period and the employee will be discharged for the fifth Tardy in a four-month period. A warning will be issued for the tenth Tardy in a one-year rolling period. A suspension will be issued for the eleventh Tardy in a one-year rolling period. An employee will be discharged for the twelfth Tardy in a one-year rolling period.
- (3) The District shall have ten (10) days to issue discipline or an Intent to Discharge.
- (4) Suspensions may, at the District's option, be either imposed as days without pay, or recorded as a Notice-of-Suspension. Suspensions without pay and Notices-of-Suspension shall carry equal weight for purposes of progressive discipline.

(e) Overall Attendance (occurrences of absence)

- (1) Employees whose overall attendance is irregular, whose occurrences of absence frequently are in conjunction with days off, whose attendance demonstrates continuing patterns of undependability are subject to progressive discipline up to and

including discharge. An occurrence is defined as any absence [including absences due to illness or injury] that is not approved in advance by the District, not protected by state or federal law or is not otherwise specifically authorized by this Agreement. Disciplinary events are written warning at seven (7) occurrences, 3-day suspension and final warning of discharge at nine (9) occurrences and discharge at ten (10) occurrences. Absences protected by federal or state law and absences due to work related illness or injury will not count as occurrences.

- (2) The attendance review period will not exceed two (2) years from the date of the issuance of discipline.

(f) Notice to Union and Employee

Copies of all Tardy and Time Off forms will be provided to both the employee and the Union.

An employee may challenge attendance discipline by filing, with the District within 5 calendar days of receipt of notice of the discipline, an appeal, which will briefly set forth in writing the employees' reasons for challenging the discipline. The employee and the Supervisor designated by the District may meet to attempt to informally resolve the appeal. Employees appealing attendance discipline will be included in the Informal Review and the Expedited Arbitration procedures of Article 32, Section 2,(d) of the Bus Operator and Maintenance Agreement.

Attendance discipline that is not processed to and through Expedited Arbitration within 60 (sixty) days of the date of the employee is notified of the discipline, becomes final.
