Dear Feinstein Family,

At the October 4th San Mateo County Transit District (SamTrans) meeting, the Board of Directors adjourned in the memory and honor of the late Senator Dianne Feinstein.

Senator Feinstein played a pivotal role in shaping the Infrastructure Investment and Jobs Act, which was signed into law in 2021 and has transformed the country's transportation landscape.

Her many contributions were instrumental in securing funding for critical infrastructure projects, promoting sustainability, and bolstering job creation. Her dedication to improving the nation's transportation, broadband, and clean energy systems has left a lasting impact, reinforcing the foundation for a more resilient and connected United States.

We hope this letter provides some small measure of comfort during this sad time.

Sincerely,

A handwritten signature in blue ink that reads "Josh Powell".
