Subject: Request for Comments on AMBAG's Draft Complete Streets Policy
Date: Tuesday, February 13, 2024 10:17:13 AM

You don't often get email from rvalentine@ambag.org. [Learn why this is important](#)

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

Dear Stakeholders and Interested Parties:

At this time, the Association of Monterey Bay Area Governments (AMBAG) is requesting public comment through March 15, 2024 on the agency's Draft Complete Streets Policy, which can be found on our website at <https://www.ambag.org/plans/complete-streets>. All comments can be emailed to me, Regina Valentine, at rvalentine@ambag.org.

AMBAG recognizes the importance of multimodal streets to improve accessibility, safety, and equity for all users of the transportation system. In August 2013, AMBAG adopted its Monterey Bay Area Complete Streets Guidebook, providing resources and procedures for developing an interconnected, safe, and accessible active transportation network in the Monterey Bay region to meet the needs of all travel modes, ages, and abilities.

Additionally, AMBAG recognizes our partner agencies and local jurisdictions have prioritized creating a safe, accessible, efficient, and coordinated transportation network that accommodates all roadway users within their communities. AMBAG's Complete Streets Policy builds upon these previous efforts by promoting a transportation system that is designed to be multimodal to safely and comfortably accommodate users of all ages and abilities.

Respectfully, Regina

Regina Valentine
