<https://patch.com/california/pleasanton/pedestrian-deaths-trending-down-ca-new-report-shows>

This was on SSF Patch. I went to original link & this came up.

El Camino Real needs much work.

Paul Wilson got part of the area near Kaiser repaved.

Michael Richardson & I tried to get the Hickey to Arlington stretch improved.

We got some trees cut back only.

Caltrans / PGE / ATT / cable providers all did some work.

Since Samtrans eliminated the Arlington stop, how can walkers & bikers get to Hickey bus stop going south?

John Baker will bring this up next CAC meeting end of March.

Please bring this up next TAC meeting.

Thanks,
Mike
