US 101 San Mateo County Crossing Improvements Plan Phase 1 (Fall 2024)

*SamTrans Citizens Advisory Committee (CAC)
October 30, 2024*

Have You Experienced Traffic Like This on US 101?

What is 101 Corridor Connect?

- A collaborative program to identify and prioritize **congestion management** projects along US 101 in San Mateo County.
- It looks **beyond just highway infrastructure** and considers the mobility needs of the corridor as a whole.
- **Program partners** include C/CAG, Caltrans, cities, transit agencies, and San Mateo County.

Reducing Congestion

Goals of 101 Corridor Connect

Safe

Enhance safety for users of the transportation network.

Connected

Connect people to the places they need to go.

Sustainable

Improve air quality and reduce emissions.

Inclusive

Increase access for underserved communities.

How to Participate

The screenshot shows a web browser window displaying the '101 corridor connect' website. The page features a navigation bar with links for 'Home', 'North County', 'Mid County', and 'South County', along with a language dropdown set to 'English' and a search bar. Below the navigation is a banner image of a person with a backpack walking on a path, with the text 'Active 101' on the left. The main content area is titled 'US 101 San Mateo County Crossings Improvement Plan' and includes a paragraph explaining the plan's goal to improve travel conditions. Below this is a section titled 'Explore Proposed Projects' which contains three colored boxes: a blue box for 'North County' with a white 'N' and an upward-pointing arrow, an orange box for 'Mid County' with a white 'M' and a circle, and a green box for 'South County' with a white 'S' and a downward-pointing arrow. Each box contains a brief description of the projects and a 'Support Projects >' link.

Active 101

US 101 San Mateo County Crossings Improvement Plan

US 101 is the busiest corridor in San Mateo County. However, the freeway itself can also act as a barrier for people walking, biking, and taking transit. The Active 101 plan aims to identify crossing and corridor improvement projects and enhance travel conditions within near US 101.

What Have You Heard?

- How does 101 act as a barrier in your community/for the members of your community?
- What would the ideal Active Transportation connections near 101 look like in your community?
- If you had a magic wand to fix anything for people walking, biking or rolling near 101 what would you fix?

Thank You
