**WHEREAS**, April 9, 2015 marks **STAND UP FOR TRANSPORTATION DAY**, a national transportation infrastructure day organized by the American Public Transportation Association (APTA) that highlights the critical need to invest in updating our nation's transportation infrastructure; and

**WHEREAS**, transportation is the backbone of our nation's economy and public transportation is an important part of our nation's transportation system; and

**WHEREAS**, more than 40,000 riders depend on SamTrans every weekday to get where they need to go; and

**WHEREAS**, **STAND UP FOR TRANSPORTATION DAY** will be celebrated in communities across the United States as a day that highlights the critical need for funding transportation infrastructure, both public transportation and highway infrastructure; and

**WHEREAS**, to support the continued growth of the nation's economy and the strengthening of the nation's transportation infrastructure Congress must pass a long-term, multimodal transportation bill by May 31, 2015.
